

Kensington Market

Though Kensington Market still carries indelible cues to its first notable identity as “The Jewish Market,” decades of settlement punctuated by new waves of immigration have given it a distinct, multifaceted identity.

Anshei Minsk Synagogue

Empanadas El Gordo

International Fruit Market

It's one that includes some of Toronto's most vibrant expressions of subculture.

Vintage store

The Rage

Kensington Place

And it's through the Market's back spaces—

—the alleyways, margins,  
borders, and meeting places—

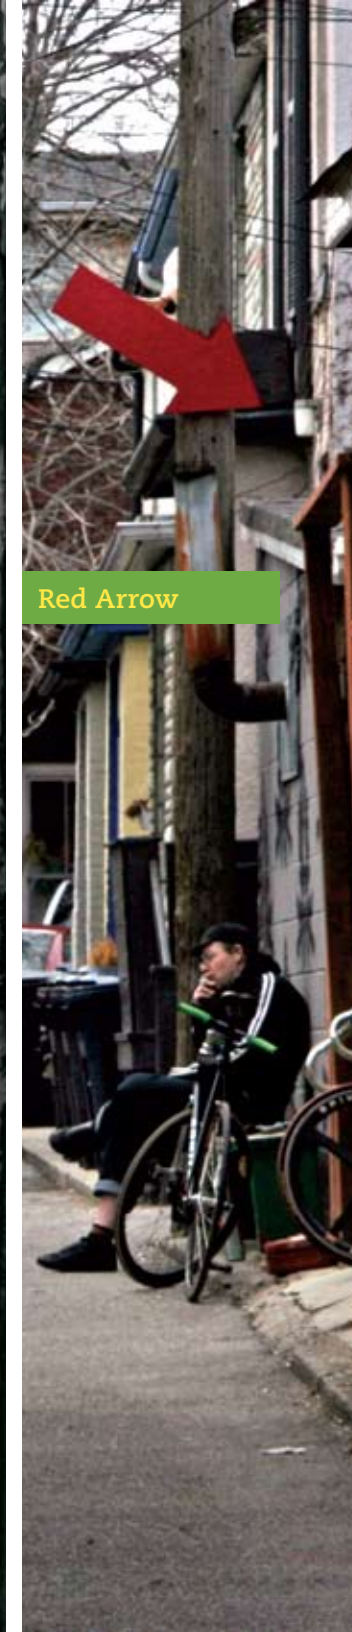

Alley graffiti

Kensington Ave

Oxford Fruit

Red Arrow

Kensington Ave

Parts Unknown

that Kensington's identity  
continues to evolve.
